

## **DAD System Support, Development and Training Options**

### Support

The DAD System is supported through the DAD Yahoo Groups User Group and by the DAD System Administrator, Matt Hayden.

- DAD Support Yahoo Groups User group  
([DADUSERGROUP@yahoogroups.com](mailto:DADUSERGROUP@yahoogroups.com))
- DAD System Administrator, Matt Hayden  
([matt.hayden@ndrn.org](mailto:matt.hayden@ndrn.org) or by phone 202/408-9514x128)

### Development

The DAD System is developed through the direct consulting with the DAD Committee and through the suggestions of the membership found on the DAD Development Yahoo Groups User Group.

([DADREWRITE@yahoogroups.com](mailto:DADREWRITE@yahoogroups.com))

### Training

Training on the DAD System is provided for both staff and administrator users. DAD Administrator training is held annually and the staff training is held at the NDRN major conferences.

In-person training is available from NDRN at the request of the agency needing training at the agency's expense.
